PRE-Game/Competition Meals: What is it?

The Booster has approved a budget to pay for pre-game meals on Fridays. After a long and hard school week, the band students will be fed and hopefully get some much deserved rest before a game. Unfortunately, we can not accommodate special diet (e.g. vegetarian).
On-going WISH LIST: Bottled water, individually wrapped chips & cookies.

To all BAND parents/guardians, students, and other family & community supporters:

MANY THANKS for your *donations* and *volunteer time/talent!* Go Mustang Band!
